NAS-TRACK Friday Night Madison Team Race Series

NAS-TRACK 
Madison Racing League

Friday June 13, 2008

Weather became the big factor in the 1st NAS-TRACK Friday Night Madison Team Race of the 2008 season. At 5:30 P.M. the track was dry. By 6:00 P.M. a light rain was falling and at 6:50 P.M., with a steady rain falling, Race Director Dale Hughes called off racing for the evening. The assembled Madison Racers were slow to leave and swapped stories before finally yielding to the persistent rain. The next NAS-TRACK Madison Team Race will be Friday June 20th at 7:00 P.M.
