Friday July 11, 2008 (Revised Results July 15, 2008)

International Velodrome at Bloomer Park

Overall Evening Results

ANNOUNCEMENT - JULY 15, 2009

After an exhausting review and thousands of dollars in deposition costs (dam them lawyers) the NAS-TRACK VIDEO REVIEW BOARD has issued the following determination:

Winner of the final Madison sprint during the NAS-TRACK RACE #3 was TEAM NEON LUKE CAVENDER. Team Neon will receive the 20pts for 1st place which gives TEAM NEON a race total of 63pts. Therefore TEAM NEON is declared the WINNERS of NAS-TRACK RACE #3. They will receive their WINNER'S HATS at their next NAS-TRACK race.

“A” Teams:

1st	Team Neon	Luke Canvader & Cody Brown.....	63 points
2nd	Team Yellow	Vince De Jong & Scott Myers	50 points
3rd	Team Red	Danielle DeFranceschi & Brent DeRosario	42 points
4th	Team Euro	Cruise Bogedin & Tom Elias	35 points
5th	Team Purple	Nick Laughton & Paul Hertzler	33 points
6th	Team Pink	Brendan Benson & Chris Aten.....	29 points

A very interesting tactical race. The experience of Team Purple showed when during the first two Madison sprints they made a move with 2 laps to go for unchallenged sprint wins, then Team Neon realized and moved out with 4 to go before the next two sprints but the battle for the win was between Team Yellow who went into the Madison with the most points and Team Neon. Going into the final sprint with double points at stake it was a very close three up sprint. A great exciting finish and a great overall race.

2nd	Team White	Nick Bayma & Amy Briscaborn	41 points
3rd	Team Ti	Don Amboyer & Bruce Carlson.....	31 points
4th	Team Blue	Matt Rose & Maia Orabi.....	35 points
5th	Team Orange	Craig VonSeeger & Dave Hicken.....	? points

The “AA” results are pending, review in progress. Team Blue did a lot of things right - winning was one of them. A special "good job" to Amy Briscaborn & Don Amboyer. More to come.
