

NAS-TRACK Team Racing - Friday Night Series - Race #5

Friday July 25, 2008

International Velodrome at Bloomer Park

Overall Evening Results

“A” Teams:

1st	Team Neon	Luke Canvader & Cruise Bogedin.....	73 points
2nd	Team Purple	Brendan Benson & Cody Brown	39 points
3rd	Team Red	Tom Elias & Went Knipe.....	44 points
4th	Team Euro	Vince De Jong & Nick Bayma	26 points
5th	Team Black	Nick Laughton & Paul Hertzler	18 points

It seemed a "little rough around the corners" through out the Madison. Team Neon started out the Madison asleep but the dragon woke up and dominated the last half. Team Black the statesmen riders had to do some chasing but always went over the top to rev things up. Team Purple reacted smartly to Team Neon goal of lapping the field and managed to stay ahead - which moved them up to second place. Great effort by all the NAS-TRACK "A" RIDERS!

“AA” Teams:

1st	Team Teal	Matt Rose & Craig Von Seeger.....	27 points
2nd	Team Purple	Ed Gostin & Nick Consule.....	16 points
3rd	Team Red	Dave Hicken & Bruce Carlson	13 points
4th	Team Ti	Larry Garstick & Craig Braue	10 points

Although only four teams competing no one was able to break away or get a lap. Going into the final Madison Team Teal was just two points ahead of Team Purple. And going into the final sprint worth double points Team Teal and Team Purple were only 3 points apart. But Team Purple missed getting a fresh riding into the race before the final sprint while Team Teal perfectly timed and placed their final exchange to win the final sprint and the race.

Another great night of NAS-TRACK RACING!
