Day 5 of the 2008 NAS-TRACK Detroit 6 Day (Race recap by Dale Hughes)

Everyone seemed to be so focused on Team Red that they let them lead out the sprints and then couldn't come around them as Team Red won three out of four sprints to take a commanding lead. Team Red had 15pts, Team Neon 10pts and Team White with 7pts.

The Miss & Out was fast with four teams scoring nearly the same points. Team Red and Team Pink with 12 points and Team White and Team Purple with 11 points. So going into the final Madison of the nite Team Red had a commanding lead with 27pts followed by Team Purple with 19pts, Team Neon and Team White with 18pts.

The Madison was good as always - hard, fast racing action. Team Red won the first sprint. Team Pink won the second. Team Neon won the third with Team Pink winning the final double points sprint. But Team Red came in second in both the third and final sprint to gain the most points and the win.

CONGRATULATIONS! -- DETROIT 6 DAY - DAY 5 WINNERS:
