Day 6 of the 2008 NAS-TRACK Detroit 6 Day (Race recap by Dale Hughes)

At first everyone was being careful, not regarding safety but regarding lasting thru to the end of the 100 Lap Madison. But Team Neon then ramped up the speed and won the first 1 Mile Sprint. Team Purple dominated the second 1 Mile Sprint. Team Neon then took the first 2 Mile Sprint with Team Purple taking the last 2 Mile Sprint.

In the Miss & Out - Team Neon scored a total of 17pts while Team Red also scored double digit pts. So after the Miss & Out Team Neon had 31pts, Team Red 23pts, Team Purple 17pts, Team White 14pts and Team Pink with 12pts.

The Final Madison of the DETROIT 6 DAY was extended to 100 laps with 5 sprints. Team Neon flew off and won the first sprint followed closely by Team Pink and Team Purple. The second sprint was won by Team Purple followed by Team Neon and Team White. The third sprint was won by Team White followed by Team Pink and Team Neon. The fourth sprint was won by Team White again, followed by Team Pink and Team Purple. The final double point sprint was again won by Team White followed by Team Pink and Team Neon.

So that's the story regarding the sprints. Here's the story regarding laps. Early in the Madison Team Neon Don Amboyer and Nick Console not only hammered off the front they aggressively lapped the whole field and put the heat on every other team to take that lap back - no one had that much gas left in their tanks. They were hoping for an opportunity, hoping Team Neon would falter. They didn't and everyone was now racing for second. Of course Team White Craig VonSeeger was making sure his second place in the overall would continue to the finish which explains Team White forcefull sprint to win the final Sprint.

Team Neon -- Nick Console & Don Amboyer
