

NAS-TRACK Team Racing - Friday Night Series Race #1

Friday June 11, 2010

International Velodrome at Bloomer Park

Overall Evening Results

Rochester Hills, MI --The first official night of the 2010 NAS-TRACK season began with one of the closest races in the history of the International Velodrome at Bloomer Park.

Friday, June 11th under the lights, five two-man teams mixed it up for a finish that ended with a scant one point difference. Between the team competition, the IVBP's crop of young racers showed their stuff in races designed to help them prepare for their nationals in early July. From the best to the beginners, it was a great night of racing for the racers and the spectators.

In the team racing competition, biggest kudos go to Martin Vecchio who raced his first Madison and won it. Vecchio and partner, the experienced Luke Cavendar were Team Red and went head to head with Team White's Brendan Benson & Nick Console. The two teams teeter tottered the lead throughout the night, first White, then Red, then white. In the end, Team Red went home the victors with a total of 57 points versus Team White's 56.

Team Green of Cruise Bogedin and Lucas Wall finished in third with 39 points. Friday night also marked the debut of the IVBP's new jerseys, which are a show of support for the track and the programming at it. Jerseys are available for purchase at \$80 each. See Current team sponsors below.

The 2010 NAS-TRACK Friday Night Series Race #2 gets underway at 7:30 P.M. Friday June 18th.
