

NAS-TRACK Team Racing - Friday Night Series Race #3

Friday June 25, 2010

International Velodrome at Bloomer Park

Overall Evening Results

Rochester Hills, MI -- The biggest crowd yet of the season came out to see some spectacular racing at NAS-TRACK #3. The fans were treated to what was shaping up to be a battle between Team Red's Nick Console and Brent DelRosario and Team Green's Daniel Holt and David Hicken. In the 40 Lap Madison, Team Blue was off the back of the pack heading to the final sprint. Tim Campbell threw in his partner Paul Heitzler who quickly reeled in the field. Seeing an opportunity to catch the pack off guard, Heitzler took his closing speed over the pack and had a 30 meter gap before the rest of the teams could respond, but it was too late and team Blue took the finishing sprint in the first Madison. In the 80 Lap Madison, the lead see sawed several times until the 3rd sprint when Team Green took advantage of a bungled exchange by Team Red to lap the field and gain an extra 5 points. Team White's Nick Laughton and Lucas Wall also benefited from the Team Red's error to tie in points on the final sprint and take away second by placing ahead of Red in the final sprint.

In the "AA" events new velodrome riders, participating in their first racing action on the boards at the IVB, showed off their speed by going hard from the command "riders roll". Several new Jr. riders also showed their skills.
