Overall Evening Results

NAS-TRACK Race #4 Winners Luke Cavender & Lucas Wall during post race interview with Chris Hughes

Rochester Hills, MI – The heat wave may have given way to slightly cooler air but the racing action was still hot for the fourth NAS-TRACK Friday Night Series Race at the IVBP. The first of the evening’s 1 Mile Scratch Races was won by Team White with Team Red taking the second slot. In the second 1 Mile Scratch, the places were reversed with Team Red capturing the 5 points for first.

Heading into the 40 Lap Madison Team Red and Team White were tied with 8 points, Team Blue with 4 and Team Green with 2. Team Red won both sprints in the 40 Lap Madison while Team Blue all the second place points. Team Red with 38 points held the lead follow by a tie between Team White and Blue with 18 points and Team Green with 8 points.

With work to do to close the points gap on Team Red, both Teams White and Blue set to the task and in the first sprint of the 80 Lap Madison took first and second places respectively. Team Red responded by taking the first spot in the final three sprints despite Team Green’s attempt to take a lap on the field with 29 Laps to go. Team Green

managed to get a half a lap on the field before being reeled back in. Team Red’s 73 points captured the overall evening event and were presented with their Winner’s hats during the post race interview.

AA Races

Some of the newer IVBP "AA" riders have been looking forward to competing in the Madison race. Tonight they had the chance to get their first experience in this exciting race. Several very experienced "AA" Madison riders were paired with the new Madison riders for their first 30 Lap Madison. The first 20 laps were under tempo for the new riders to get a feel for the timing and etiquette of the race. The speed ramped up for the final 10 laps with Team Teal getting a gap on the field. With 4 laps to go Team Red chased down Team Teal and with a lap and a half to go went over the top to take the sprint with Team Blue in hot pursuit. Special thanks to Craig Von Seeger who rode as a rolling coach for the new riders.
