Overall Evening Results

Rochester Hills, MI – The NAS-TRACK Detroit 6 Day opened under clear blue skies with the temperature near 90°. The racing was also hot as it came down to the final sprint in the 100 Lap Madison to determine the winning pair.

The first race of the evening, a 1 Mile Sprint, set the stage for an evening of photo finishes. At the line, Team Silver's Nick Laughton took the victory over Team Green's Martin Verrchio by less than half a wheel.

The Miss and Out came down to a matched sprint between Team Green's Martin Verrchio and Team Pink's Luke Cavender. The two played cat and mouse on the 44° banking of the IVBP and victory was won by Team Pink.

At the conclusion of the Miss and Out, it was just a 4 point spread between the top three teams. Team Green – 25, Team Pink – 23, Team Red – 21 and Team Silver with 15.

Under the lights, the 100 Lap Madison would have 5 sprints, one every 20 laps. In the first sprint, it was Team Pink followed by Team Green, Team Red and Team Silver. This put Teams Green and Pink in a tie for first place with 28 points each. Right after the sprint, Team Red, Blaine Benson and Nick Console, took a flyer off the front of the field. With each exchange they kept the pace fast and had a half a lap lead on the field by the second sprint in which they took the first place points. Team Pink lead the rest of the field to the line for second place points followed by Team Green and Team Silver.

The gutsy move off the front of the field for Team Red worked and on Lap 50 they lapped the field and collected the 15 points and cheers from the NAS-TRACK Fans for doing so. In the third sprint, Team Red got to the line first followed by Teams Green, Red and Silver. Following the sprint at lap 40, Team Red had command of the points with 45, Team Pink with 36, followed closely by Team Green with 33 and Team Silver with 18.
