International Velodrome at Bloomer Park

Overall Evening Results

Rochester Hills, MI – There were a few sprinkles to greet the NAS-TRACK fans and this delayed the start by a few minutes but by the time the featured 100 Lap Madison was underway the moon and stars were shining down on the IVBP.

The 16 Lap Scratch Race opened with an attack by Team White in the second lap. The field worked together and reeled in Team White in a few laps. Coming out of Turn 4 on the last lap, there were five riders with a chance to win it. At the line Team Blue's Nick Laughton took the 10 points followed by Team Pink's Luke Cavender just edging out Team Black's Brendon Benson.

In the tightly bunched Miss and Out, The brothers Benson of Team Black worked together and took first and third places. Brendon Benson captured the first place points with Team Pink's Tim Campbell battling for second.

With its strong showing in the Miss and Out Team Black held the points lead heading into the 100 Lap Madison with 26 points. Only 3 points behind was Team Blue with 23, Team Pink – 21, Team White – 12, Team Red – 10.

The first few laps of the 100 Lap Madison found the teams scoping each other out looking for who would make the first attack when on Lap 84 Team White broke things open. The white hot pace strung out the field coming into the first sprint it was Team White's Martin Verrchio who was first to the line followed by Team Blue's Nick Laughton.

Team White kept the pace hot following the sprint till lap 73 when all eased the pace for a couple of laps. There were several accelerations but nothing that would split the field until lap 63 when everyone jumped hard going for the second sprint. Team Black lead out the jump. Teams Black, White and Pink were three abreast coming through the final turn to the line. It was Team Pink's Luke Cavender first to the line followed by Team White and Black. The point were very tight following the second sprint. Team

Leading up to the third sprint of the Madison, Team Pink would attack on lap 43 and Team Black was first to respond. In a drag race to the line it was Team Pink followed closely by Team Black, while Teams Blue and White battled to line with Team Blue coming over the top to grab the third place points.

Knowing they need to steal some points to win the evening, Team White attacked on Lap 37 to lap the field. By lap 35 they had a half lap advantage on the field. The field picked up the pace but Team White kept their high pace going and succeeded in lapping the field on lap 26 and adding 15 points to their score.

The fourth sprint of the Madison with 20 laps to go was captured by Team Pink followed by Teams Black, White, Blue and Red.

Heading into the final sprint worth double points it was very tight on points and between Teams Pink, Black and White, the winner of the final sprint would take the night. Team Pink – 54, Team White – 52, Team Black – 50, Team Blue – 41, Team Red – 18.

With 16 laps to go Team Black attacked and the field responded which kept the pace hot for the rest of the contest. In the bell lap it was a three way dual between Teams Pink, Black and White with White doing an exchange in the last lap. They came to the line tightly bunched as Team Pink's Tim Campbell powered to the line to win the sprint and the Madison with Team Black's Blaine Benson and Team White's Nick Console nipping at his heels.

A special tip of the hat to Tom Elias who rode the entire Madison solo.

Special Thanks to the Pit Crew Band who always presents talented musicians to entertain the NAS-TRACK fans.

Congratulations to Team Pink, Tim Campbell and Luke Cavender for their NAS-TRACK Detroit 6 Day – Day 5 Victory.
